"40% of seventh graders can't swim 25 yards to save their life ..."

--Grand Traverse Bay YMCA Marketing Study

Since 1964, the Grand Traverse Bay YMCA has been a charity that has served the region's needs. Our mission is to put Judeo-Christian principles into practice through programs that build healthy spirit, mind and body for all.

WHY A NEW YMCA NOW?

"The Grand Traverse Bay YMCA has a long standing history of working to meet the community's needs. Our new Y will continue this tradition by expanding services that our community has long needed. Teaching our children to swim is just one benefit that cannot be underestimated, and our capital campaign will allow this to happen. One of the best aspects of the Y is the ability to serve all ages – from infants to seniors. There is no doubt that the new Y will be a jewel in our community for years to come."

*Tina Piotrowski
Northwest Michigan Surgery Center
YMCA Board of Directors*

"The YMCA helps develop children with strong family-based activities. We clearly need an aquatics center, modern fitness and more. There are lots of seniors and plenty of young families who will be part of the new Y. Many people have moved here with expectations of a strong Y and we plan to meet those expectations."

*Paul Schmuckal
Chairman, Schmuckal Oil Company
Chairman YMCA Corporate Advisory Committee*

"The new YMCA facility will fill a tremendous need in our community. People of all ages will benefit from the expansion of both the Y's facilities and programs. We know the Rotary Charities grant will have a significant impact on the quality of life in our region."

*Marsha Smith
Executive Director
Rotary Charities of Traverse City*
